Name:

Phone number:

Email:

Please tick the following bullet points to confirm that your group/community/organisation know what you are signing up to:

- We support the Climate Coalition's overall goals shown to the right and agree that Climate Action Leicester and Leicestershire can publicly say we support these goals.
- We want to be named as members of the Climate Coalition on the Climate Action Website.
- We will tell our membership that we are part of the Coalition, what Climate Action Leicester and Leicestershire is doing, and encourage them to get involved.
- If any conflict arises with a partner organisation, we will work with them to resolve it.

The Coalition's overall goals which Coalition partners need to support are:

- 1/. The City and County Councils to set annual, measurable carbon reduction goals for Leicester and Leicestershire to achieve net zero greenhouse emissions by 2030.
- 2/. The City and County Councils and Leicester & Leicestershire Economic Partnership to review their Local Plans, Strategic Growth Plan and all other future policies and plans in the light of their climate emergency declarations and national carbon reduction targets.

Please provide a short paragraph about who you are and what you are doing to take climate action. We will use this on our website to say that you are a coalition partner.

Please also send:

- **a copy (in jpg form) of your logo** (if you have one) for us to use on the website.
- **Your web address or facebook page address** (if you have one) so visitors to our website can look you up:
